## Client Testimonials

*I have used Mr. Schoemaker a number of times as a mediator. I was impressed with his knowledge of real property and contract matters and felt that he gained the confidence of all sides as he proposed alternatives and made various recommendations. His pragmatism was a Plus!*

Mark M. O'Brien, Esq.  
Monrovia

*Mr. Schoemaker recently acted as the mediator in a personal injury case in which I represented the plaintiff. In that case, the formal mediation session, which lasted about three hours, ended with the parties quite close but not entirely in agreement. I have been practicing law since 1966 and have been through numerous mediations. In my experience, most mediators do not follow through and continue to try to settle the case when the mediation ends without a resolution. Not Mr. Schoemaker: he made it clear to both sides that he would be available by telephone to continue to try to persuade the parties to close the gap and reach a mutually agreeable settlement. I called on him to do just that, and am pleased to report that Mr. Schoemaker was successful.*

*It was Mr. Schoemaker's cheerful, positive attitude and pleasant demeanor which impressed both me and my client. He is obviously very experienced in handling civil litigation. His high degree of civility and courteousness was impressive. I will not hesitate to recommend Mr. Schoemaker to my clients to be the mediator in any of my future cases.*
